Hi again Jim... [REDACTED] just plead out about 2 minutes ago. He had a gun charge, which was the 'lead' charge, so he was sentenced to 18 months at the House of Corrections. Tony Gulluni will not need you either...his case ended in a plea as well. It was a good day for us! Thanks for being on call...I hope it didn't jam you up too much. -Eileen

No problem. It should take about an hour to get there, depending on traffic. I am also on call for Anthony Gulluni.

Jim

Hi Jim...I **may** need you. I'm not sure what our judges situation will be tomorrow. If I put you on call, how much heads up would you need? I have a firearms ballistics on call as well, and if the case will be going to trial I'll call you in. How does that sound?
